REPORT OF THE COUNTY COMMISSIONERS

To the Citizens of Merrimack County:

In accordance with the Public Statutes of the State of New Hampshire, the Commissioners of Merrimack County herewith present the annual report of the County Commissioners, Treasurer, Superintendent of Farm and House of Correction, Clerk of the Superior Court, Sheriff, Jailor, Solicitor, Farm Physician, Chaplain and Auditors for the year ending December 31, 1922.

County Farm

The County Farm remains in charge of Mr. and Mrs. J. M. Lorden as Superintendent and Matron, whose administration of affairs has been most efficient and highly satisfactory.

During the year much work has been done at the Farm in the way of repairs and permanent improvements.

The House of Correction building which was partially destroyed by fire in December 1921, has been restored and placed in good condition. A large amount of this work, as well as the repairs to other buildings has been done by the regular farm help, thus making quite a saving to the county.

The number of people cared for has been somewhat larger than in some years past, for which statistics regarding the same may be found in the report of the Superintendent on another page.

Poor Away from the Farm

The investigation of cases asking assistance from the County requires considerable time and attention. One of the most serious matters that come to the attention of the Commissioners is the care of dependent and neglected children. The county is providing care for nearly forty children, at the present time, beside those in families whose parents are receiving aid from the county.

Jail

The County Jail remains in the direct custody of Sheriff George A. Wooster, who, we believe, is doing everything possible to make conditions satisfactory. For the number of commitments and other statistics, we would refer you to the Jailor's report on another page.

Finances of the County

Total receipts from all sources for the year 1922 were $207,291.30. Total expenditures $200,000.20, leaving a balance in the hands of the Treasurer of $7,291.10. We are glad to be able to report that all bills which were presented for payment, and were approved on December 31, have been paid, and that the County has no outstanding bonds or notes.

The Valuation of County Property

Almshouse, Court House and Jail	$214,500.00
Personal property at Farm	30,455.42
Personal property at Court House	5,200.00
Personal property at Jail	450.00

In presenting this report to the citizens of Merrimack County, we take this opportunity to extend our thanks and express our appreciation for the loyal support and co-operation which has been so freely given us at all times.

Respectfully submitted,

Arthur H. Britton,
John G. McQuilkin,
Frederick A. Holmes,

Commissioners of Merrimack County.

GEORGE M. FLETCHER,

Clerk Superior Court of Merrimack County.

REPORT OF COUNTY SOLICITOR

For the year 1922

To the Commissioners of the County of Merrimack:

I respectfully submit this report for the year ending December 31, 1922.

At the April Term of the Superior Court, the Grand Jury found eight indictments as follows:

Adultery	1
Breaking and entering	1
False pretences	2
Forgery	1
Rape	2
Juvenile	1

Of these respondents three were given suspended prison sentences, two were sent to jail, and two were given suspended jail sentences. The juvenile was placed under proper supervision.

At the October Term of the Superior Court indictments were found against ten persons as follows:

Adultery	2
Breaking and entering	2
Larceny	5
Rape	1

Of these cases three were sentenced to prison, three to jail, one to the House of Correction and in three cases sentences were suspended.

In happy contrast to many parts of the United States this County has witnessed a decrease in the more serious crimes during this past year. One murder was committed in Pembroke but the unbalanced perpetrator of the crime committed suicide so that no action was necessary.

Nevertheless the past year has been very busy for the Solicitor by reason of the numerous investigations it has been necessary to make. Contrary to the general opinion the Motor Vehicle Law produces the largest number of offenders and these cases have taken much time.

This year has been chiefly notable for the fact that more liquor law violators have been put in jail than in all the three previous years. The general public assumes quite naturally that the imposition of a jail sentence means an immediate committal but the taking of an appeal in such a situation has always operated to postpone or nullify the ruling of the Municipal Court.

The enforcement officers have become a little more efficient in the handling of their resources and the serving of jail sentences has become an accomplished fact. I am very glad in this connection to acknowledge the very able assistance of Ralph Caswell, State Law Enforcement Commissioner, in the administration of the liquor law. Interference of any sort with this department will prove to be a matter of serious import to all friends of law and order.

HERBERT W. RAINIE,
County Solicitor.
